

Palisades Montessori Primary Program 2021-2022

Tuition Schedule

Note: COVID-19 Tuition Surcharge

There is a \$450.00 per month surcharge for all Primary students due to the COVID-19 pandemic. This monthly surcharge will remain in place, as a surcharge to the regular tuition schedule, until such a time as COVID-19 regulations are released and the school can return to normal operations. Please add the \$450.00 surcharge monthly to the tuition values in the first table, below, to understand how tuition will be affected if the COVID-19 public health emergency endures into the 2021-2022 year.

The Palisades Montessori Primary Program serves children between the ages of three to six years. Admission may occasionally be offered to children between age 30 months and three years. Palisades Montessori offers two-, three- and five-day schedules during the school year. Our pedagogy, and therefore our admissions process, gives priority to five-day applicants.

Tuition amounts listed below for the core program are annual tuition amounts.
